### ABSTRACT

*This article describes the objective need for the organization of tourism services and its socio-economic significance and consequences. Tourism activity in Uzbekistan has been considered at the level of state policy since the early days of independence. All the necessary organizational and legal mechanisms for the development of tourism have been created, important normative documents have been adopted, and this work is still ongoing. In order to develop tourism in our country, to raise it to new heights, to make our country one of the world's tourism centers.*

**KEYWORDS:** *Theoretical and Practical Problems, Economic Factors, Political Factors, Cultural And Educational Factors, Stages Of Development, The Silk Road Program.*
