### ABSTRACT

*Historical works created in different years pay great attention to the history of the Bukhara Khanate and the Emirate, including its political, economic and social life. However, although the main purpose of the works created so far is to shed light on this or that area of the history of the khanates, it is noteworthy that they have different approaches to the issue.*

**KEYWORDS:** *History, Political, Economic, Knowledge, Work, Country, Khanate, Madrasas, Mosque.*
