ABSTRACT

The traditional musical instruments of the Uzbek people reflect the national characteristics, traditions, customs and values of each nation, and the sound they emit is in accordance with it. Performing arts in musical instruments as a means of glorifying the spirituality of mankind is the responsibility of folk art, and from time immemorial has been formed and developed among the masses.

KEYWORDS: *Song, Work, Music, Sunray, Rhythm, Form, Style, Instrument, Art, Status, Genre.*
