ABSTRACT

This article is about neologisms in Uzbek and English, their use and origin. In modern Uzbek linguistics, large and serious research has been conducted in all its areas, especially in lexicology. However, not all problems in this area are completely solved. The neologisms in the Uzbek dictionary have not been fully studied yet.

KEYWORDS: *Uzbek Linguistics, Assimilation Neologisms, Word Formation, Morphological-Syntactic, Prepositions, Suffixes.*
