ABSTRACT

This article researches the content of the draft Civil Code of the Republic of Uzbekistan and the issue of smart contracts. The study also analyzes the issue of defining smart contracts as a written form of agreement and contract. The disadvantages of concluding a will agreement through smart contracts are justified. The article explores the basics of using smart contracts as a way to fulfill an obligation.

KEYWORDS: *Draft Civil Code of the Republic Of Uzbekistan, Discussion of the Draft Civil Code of the Republic of Uzbekistan, Smart contracts, Written Form Of The Agreement, Written Form Of The Contract, Method Of performance of the Obligation, Performance Of the obligation through Smart contracts.*
