ABSTRACT

This article analyzes the effects on human life, lifestyle, spiritual world and mood as a result of wars, conflicts and contradictions reflected in works of art. Furthermore, opinions were expressed on the creative skills of world and Uzbek writers, their style of expression, and scientific conclusions were made. The creative individualism of Erich Maria Remark has been studied and analyzed in more depth.

KEYWORDS: *War, Life, Man, Death, Human Destiny, Human Tragedy, Consequences Of War, Spiritual World.*
