ABSTRACT

The article analyzes the organization and means of implementing the Soviet campaign in the Turkestan ASSR to eliminate adult illiteracy, which was carried out in 1918-1922. Data on the courses organized in the region to eliminate illiteracy, the number of people involved in them, and the organization of teacher training for schools to eliminate illiteracy are summarized.

KEYWORDS: *Turkestan ASSR, Eradication Of Illiteracy, "Cultural Revolution", Power Of The Bolsheviks, Schools For The Eradication Of Illiteracy, Ideology, Soviet Schools, Primers, Peasantry.*
