**ABSTRACT**

*This article makes an etymological analysis of words from the Khorezm dialect of the Uzbek language, which are equally used in modern Turkish. They are divided into three parts: words with the same meanings; words with altered meanings, but identical in form; words that have undergone phonetic variation.*

**KEYWORDS:** *Turkic Words, Ancient Turkic Language, History Of Language, Historical Sources, Literary Language, Oguz Dialect, Dialect Words, Etymological Analysis, Expansion Of Meaning, Narrowing Of Meaning, Phonetic Variations.*
