ABSTRACT

Nowadays many craftsmen in Shymbay are becoming well known for their works. The products that were made by them are being passed down from generation to generation in the daily life of the people even nowadays. Items that are made by masters are considered to be our materialistic wealth. Mastership that is made by the nation is such a genius heritage that it shows the difference among nations and helps to stand out.

KEYWORDS: *Craftsmen, Master, Potter, Jeweller, Door Maker, Copper, Blacksmiths, Cradle, Dutar And Kobyz, Qarauy (Black House).*
