ABSTRACT

Thanks to independence, our country pays special attention to the preservation of our sacred religion, which calls humanity to tolerance, purity and kindness, and educating the younger generation in the spirit of respect for the national and religious values of our people. The focus is on improving the system of religious education, training well-educated, sensible specialists. The article scientifically examines the legal foundations of the development of the idea of interethnic harmony and religious tolerance in Uzbekistan.

KEYWORDS: religious tolerance, interethnic harmony, Islamic religion, globalization, science, spirituality.
